3. Chairman's report.

The last year has seen numerous developments take place, not least to the make up of the Parish Council.

A Councillor and life long member of the Parish, Pauline Galloway died in September last year. She had been on the Council some five years and always had the village in her heart, she will be sadly missed.

After a 12 month break, long standing council member Michael Styrin has returned to the front line and rejoined us. Another established member of our community, Kevin Clark assisted the Council with his work in tackling the problem of speeding on the main A658 through the village has been invaluable. He has been the leader of the team on the Speed Watch Programme and produced much of the statistical data leading to the police, from time to time, setting up a mobile speed camera. We welcome both on to our Council . The Parish website is now up and running-www.weetonpc.org.uk- thanks very much to Council Member Nanine Anderson for this valuable contribution. Throughout the year, the PC receive many planning applications-where the general ethos of the village is maintained. They, for the most part, are recommended for approval to Harrogate Borough Council.

Finally, the Parish Council is here for the benefit of the community, the meetings are open to all and we always welcome input from members of the Parish.
