## Weeton and Huby Community Led Plan Questionnaire

**Let's make our Community an even better place to live!**

An independent **Community Led Plan** will provide a strong voice for us all on the future of our area - we are enclosing a questionnaire and asking you to complete it by **30th June**. There is also an online Young Persons survey for 7 to 18 year olds.

The responses from this survey will provide the basis of a **Community Led action plan** to inspire and support Village improvements over the next few years.

### Introduction

2

A strong response to this questionnaire will show:

- That we have a clear voice as a community
- That we have a clear view on our future as a community
- That the ideas and proposals that emerge will represent as far as possible the views of the community

So please **fill in the questionnaire as soon as you can**. Everyone's views are important - including our young people. Weeton Parish Council initiated this project and funding has been provided by North Yorkshire County Council's Stronger Communities Programme.

A Steering Group, including representatives from Almscliffe Hall, the Tennis and Bowling Club, the Craft and Talks Club, St Barnabas Church, North Rigton School governors as well as local residents and the Parish Council have worked hard for over a year to initiate this first Weeton and Huby Community Led Plan and hope you will find it thought provoking and ultimately a constructive way to achieve improvements in our villages.

We expect this questionnaire to take around 25 to 30 minutes to complete.

If you need to expand any answer please add an additional sheet of paper with the question number and your expanded response.

Please either complete the paper version as a single household or visit the Parish Council website to download additional copies to complete individually.

<http://www.weetonpc.org.uk/weeton-huby-parish-plan-steering-group/>

The Q R code will also take you to a downloadable copy of the questionnaire.

Alternatively contact:

Derek Needham on 07778 023761

Ideally, completed paper copies of the questionnaire should be returned to one of a number of local collection points:

- ◆ Almscliffe Hall
- ◆ C Brown—Old Post Office, Main Street, Weeton, LEEDS, LS17 0AY
- ◆ D Needham— Little Clipston, Crag lane, Huby, LEEDS, LS17 0BW

Alternatively if these locations are not convenient please use the Freepost envelope provided (one copy questionnaire per envelope only please)

The Young Person (7 - 18 year's) questionnaire is **ONLY** available on line using Survey Monkey. Some children will have completed the questionnaire as part of a local school's project however we would really like to hear from all the young people in the village. Please encourage them to complete the questionnaire.

The questionnaire can be accessed using the QR code:

Alternatively it can be found at:

<https://www.surveymonkey.com/r/QGM3DMX>

Please ensure that all questionnaires are returned as soon as possible but no later than the 30th June 2019.

If you are unsure about any question please email us at [weetonandhuby@outlook.com](mailto:weetonandhuby@outlook.com) by the 23rd June with the question number and your query.

**As an incentive and thank you for completing the adult questionnaire, there will be a draw for a prize of £50.**

To enter the draw please provide contact details on the 'Offers to help and prize draw' page at the end of the questionnaire. The contact details section will be separated from the questionnaire on receipt to ensure anonymity.

Thank you in advance from the Community Led Plan Steering Group.

## Introduction

Housing development is an emotive subject particularly when loss of Green Belt and large scale housing schemes are suggested. However, housing development can range from small developments (1 - 10 homes) upwards. There could be several small developments integrated into and around the villages. Housing can be led by and controlled by the local community for the local community. Housing development can also be a means to gain improvements in the community through planning gains or financial contributions. With a larger scale development, housing developers can be required to build schools, improve infrastructure such as services and roads and attract shops. Smaller scale housing development may be able to fund a children's play area or new facilities for the people in Weeton and Huby.
