Seat located at the end of Kingsway on the verge. Councillors agreed that a letter should be sent to the person responsible. The Clerk will send the letter by email.

New seat at the end of Woodgate Lane. Councillors agreed on a recycled seat from TDP 1500 size in brown Dale model. The Clerk is to contact NYCC for details of a suitable installer. B.Wilman reported on the progress of the seat renovation programme and asked if an interim payment could be made for work already completed as the project was held back due to weather conditions and may well continue into the new year. Councillors agreed that £250 should be forwarded to cover items 2 and 3 in the contract at £158 and £92. The Clerk will complete the grant form for £500 from C. Trotter's Locality Budget from NYCC.

P.Jagger asked if the £50 prize for the Village Plan Survey could be paid and this was agreed. The funding came from an NYCC grant.

A serious traffic parking problem has arisen at the bottom end of Strait Lane and damage to the verge by a HGV happened due to bad parking. NYCC Highways have been informed.
